

Limestone Hills

'Hi-Lites'

MARCH 2010

PRESIDENT'S MESSAGE

By Brian Moore

Allow me to begin by saying to whoever in our community that went around whistling "Let it snow," last month, please STOP! I think we have seen enough snow to last at least a couple of more years. I want to thank all of the residents who shared their comments with me and our Board and property manager, both the good and the items that needed a little bit of work.

In reality, this was the largest single event in recent history. I personally think that the contractor did an excellent job, especially given the volume of snow and the state of emergency. I also want to thank those residents who honored the Governor's state of emergency and stayed home during the first few days of the storm. This gave not only our contractor but DELDOT a chance to effectively do their jobs and make the roads safe for travel.

I wanted to pass along a few notes of reminder to our friends and neighbors about snow. First for those residents who are used to walking along our wonderful greenway path along Middleton Drive and throughout our community, a reminder that the community does NOT plow or maintain this greenway path. It is also not the responsibility of any of our neighbors who happen to own a home along this path. The path is maintained by the State of Delaware and we do not incur any liability for it by maintaining it. A few of our walkers have made a point of chastising residents along the path for shoveling their sidewalk and not the path, but this is not their responsibility and no one should expect them to!

Next if there is a fire hydrant located on your property, if at all possible, please try to shovel the hydrant out. These hydrants are not cleaned out by our fantastic friends at the Mill Creek Fire Company, who are very dedicated volunteers and our neighbors so they are out shoveling their snow right next to you as well as taking the time to go out and help others in need. The time for them to have to find the hydrant located in your front yard is NOT when your house is on fire, so if at all possible, please try to make their job a little easier!

I say it every year, but another reminder that snow plowing is not an exact science or art. Snow that is plowed has got to go somewhere and sometimes it goes into places that we are not happy with. I wish there were a better way of just melting it and it all went away, but there is not. Your patience was extremely appreciated during the storm and all of your understanding as well. Our contractor tries their best to meet all of our needs, but sometimes it just does not work out well for everyone. If your home or lawn was adversely affected by the plowing or front end loader operations, please let Tom Cahill know at BC Properties and we will look at it and attempt to take care of the issue as the snow clears and the grass comes back into view.

The same thought goes with some of the branches that are down and other issues in the community. If a tree fell, it is far too dangerous to move equipment and people through the snow to get to an issue that can wait for a thaw. Unless the limb is possibly at risk of falling from the open space into your home or property, we will probably not risk injury to a sub contractor by addressing the issue right away. Again, I appreciate your patience!

It is CENSUS time again! PLEASE remember that when census takers are in our community, they are not door to door salespeople but they are doing an incredibly important job for all of us. The census helps determine how much representation you and your state get in state and federal government. It helps determine the amount of financial resources allocated by the government for important areas such as schools and roads and police protection. The census is not a joke; it has a very real effect on your quality of life in Limestone Hills and our state. Be courteous to these workers and PLEASE give them all of the information you can to help support an accurate census, make yourself count!

Please keep an eye on our fantastic website www.limestonehills.com for some great upcoming events including a fun springtime 5K run in our very own community sponsored by our neighbors at Covenant Investments on Middleton Drive. This event will be run in our community and will benefit some fantastic local youth charities so keep checking the web site for details and a link for more information on the event. My family and I are running in the event and hope to see a great turnout from our friends and neighbors supporting this great cause.

I want to finish up by again saying thank you to all of our great neighbors. When issues arise in our community, it is always a real pleasure to see how folks work together to help each other out. We have all seen some neighbors who get together and help out some of our older neighbors by shoveling their driveways or sidewalks for them. On one street I found a neighbor with a large SUV who had gotten grocery lists from all of his neighbors and went to the store so that his neighbors did not have to! This is just the kind of thing that makes Limestone Hills a different kind of community. Thank you all for your efforts and for being such great neighbors! Enjoy the snow and everyone keep hoping for some sunshine!!

Note: The following minutes are unofficial and have not been approved by the Limestone Hills Board of Directors.

LIMESTONE HILLS MAINTENANCE CORPORATION

A meeting of the Board of Directors of the Limestone Hills Maintenance Corporation was held on January 27, 2010. In attendance: Paul Kline, Bruce Bennett, Jack Hilaman, Claire Davidson, Alan Gardner, Brian Moore, Linda DiCampi, Nancy Goyda. Tom Cahill of BC Consulting was also present.

A presentation was made by Covenant Wealth Strategies, pertaining to a 5K Walk/Run for charity that they are sponsoring on May 1 in Limestone Hills. See article on this page.

A discussion was held in response to a request for solar panels on homes. See article below.

The minutes of the October 13, 2009 meeting were presented and approved.

Property Manager's Report

- The new sign for North Pointe is installed. The new sign for West will be installed next week.
- The No Parking signs are installed at 50% under budget.
- The non-functioning light poles in the East entrance have been removed.
- The streetlight for the East entrance was funded and then dropped. DeIDOT now promises to install one
- The tennis court in North Pointe has been resurfaced and the new back gate security lock has been installed.

Old Business

Residents have complained about flyers that have been distributed. They are in violation of the no solicitation deed restriction. A litter complaint will be filed with the New Castle County Police.

New Business

- The Delaware Division of Fish and Wildlife asked to do a survey in our wetland area to see if it would be a suitable habitat for bog turtles. The consensus was to allow them to do so.
- A request was received for the placement of a recycling container next to the mailbox in Vincent Lane. This cannot be done.
- Bids were presented for providing new Deed Restriction signs at all entrances of Limestone Hills.
- Methods of keeping the entrance islands of West were discussed. Perhaps we could find volunteers to do it or get people who have court ordered community service hours to do the work.

There was discussion concerning the types of resident issues the Board should get involved in. Those issues of deed restrictions or guidelines are appropriate. Neighbor disputes or criminal issues are not.

The meeting adjourned at 8:50 p.m.

About Solar Panels

In response to a letter received from a resident requesting a change in the deed restrictions to allow solar panels on homes, the Board decided to request input from residents. If there is enough interest in the possibility, information on solar options will be presented at the Annual Meeting in June.

A 2/3 majority of all residents is needed to approve a change in deed restrictions.

Covenant Wealth Strategies (located in the Stone Barn on Middleton Drive) is hosting its first 5K run/walk to benefit three local non-profit organizations working with local youth to develop leadership skills, academic excellence and teamwork. The race is scheduled for **Saturday, May 1 at 9:00 AM**. This is a new official USATF race course mapped out by Doug White, Limestone Hills resident. The race is being organized by Races2Run, the premier race organizer in Delaware and will be "chip" timed.

For further information including the race course, registration information, sponsorship opportunities, information on our non-profits, etc., please go to the website created specifically for the race. www.covenantwealthstrategies5Krunwalkforkids.com

We welcome any residents and families to join us or simply cheer the runners and walkers as they go by.

Home Buyer Tax Credit Expanded & Extended
Tax Credits are available for Existing Home Owners and 1st Time Home Buyers.

LIMESTONE HILLS MAINTENANCE CORPORATION

Attention Limestone Hills Condominium Owners (Stoney Batter and Berkshire):

The following "General Use Restrictions" does not apply to your property. Please review your condominium's governing documents for rules germane to your condominium. Condominium owners are, however, members of the Limestone Hills Maintenance Corporation and therefore subject to Section 3, Article (1) of the Bylaws of the Corporation (amended 10-10-91 - "No building, shed, fence, wall, swimming pool or other construction shall be commenced, erected, or maintained upon any lot, or shall any exterior addition to or change or alteration... be made until the plans and specifications...have been submitted to and approved in writing by the Declarant (LHMC Board of Directors)."

The following is an abbreviated version of the General Use Restrictions. For the full text, please refer to Article I "General Use Restrictions" of your Declaration of Restrictions.

**Synopsis of the
GENERAL USE RESTRICTIONS**

- **Private Residences.** The lots shall be used for private residential purposes only, and no buildings of any kind except private dwelling units shall be erected or maintained thereon.
- **Trailers, Mobile Homes, etc.** No temporary structure, including trailers and mobile homes, shall be permitted or maintained upon any lot.
- **Animals and Pets.** No animals of any kind other than usual household pets shall be kept or maintained on any part or portion of the properties or lots, - no breeding - no pet outbuildings. All domestic animals, when outside of its respective owner's residential dwelling, must be on a leash and otherwise comply with all local, municipal, county and state laws and ordinances.
- **Vegetable Gardens.** No vegetable gardens shall be created, constructed, or maintained on the front yards or side yard of any lots where such garden can be seen by pedestrian or vehicular traffic.
- **Trash Receptacles.** Trash receptacles shall be kept in enclosed areas, hidden from view, excepting on regular collection days, when they may be placed temporarily at the curb.
- **Prohibited Vehicles.** No trucks, buses, travel trailers, boat trailers, boats, utility trailers, or campers whatsoever, and no disabled vehicles of any description shall be kept or maintained on any street, lot or driveway, except that any of the same may be kept within enclosed garages; excepting that pick-up trucks up to and including 3/4 ton and enclosed vans up to 10,000 lbs. G.V.W. are permitted, provided that they do not exceed a height of seven feet.
- **Signs.** No signs of any nature whatsoever shall be erected, placed, or maintained on any lot within the premises described, except that a single real estate "For Sale" sign may be so placed and maintained, but must be removed within five days after a contract for sale and purchase for such lot has been signed by all the parties thereto.
- **Fences.** No enclosing or non-enclosing fence or barrier (hereinafter "fence") shall be erected on any lot closer to the front street line than the rear face of the principal building on said lot except that fences which are dividing lines between two lots may extend along side lot lines. Fences shall be according to the specifications as described in the Declaration of Restrictions. No fences shall be permitted on any townhouse or duplex lot except those erected as part of the original house design.
- **Swimming Pools:** No swimming pools shall be permitted on any townhouse or duplex lots.
- **Window Treatment.** All windows from the exterior shall show white or off-white fabric or color compatible with color of exterior finish of dwelling. Any disputes regarding color selection or compatibility will be determined at the sole discretion of Declaring, or its assigns.
- **Clothes Lines.** No permanent outside clothes lines or clothesline posts are permitted. Portable outside lines approved by Declarant, its successors or his assigns will be permissible, provided same are used and clothes are hung out during daylight hours only.
- **Privacy Fences.** Privacy fences are defined as those types of fences that enclose only a small portion of the rear yard close to the building itself; for example, a privacy fence may closely enclose a rear patio. Such fences are permitted on single family lots only provided they follow the permissible specifications.(See Declaration of Restrictions)
- **Trees, Shrubs & Landscaping.** Any trees, shrubs and/or landscaping planted, emplaced, provided or done by the developer must remain undisturbed for a period of ten (10) years, except for ordinary maintenance, feeding, and disease control.
- **Lawn Mowing.** The owner of each lot shall be responsible for the maintenance of grass and weeds thereon and shall mow said lot in accordance with the Grass and Weed Control Ordinance of New Castle County, or mow said lot as least once each month between April 15th and November 15th of each year, whichever is more frequent.

- **Yards.** No statues, sculptures, painted trees, bird baths, replicas of animals or other like objects may be affixed to or placed on any lot or building, where they would be visible from any street, without prior written approval of the Architectural Committee.
- **Exterior Lighting.** No exterior lighting fixtures other than as shown on the model homes constructed by developer or developer's designated agent, are permitted on any lot, or on any structures on any lot, without the prior written approval of the plans and specifications for same by the Architectural Review Committee.
- **Exterior Design and/or Color Scheme Changes on Townhouse and/or Duplex Houses.** No owner of any townhouse and/or duplex house or occupant shall cause or permit any alterations or changes of the exterior design and/or color scheme of any townhouse or duplex house, or fences surrounding said townhouse or duplex house, unless the Architectural Review Committee has approved such alteration and/or color change.
- **Trampolines.** No trampolines of any kind shall be kept or maintained on any lot.

ARCHITECTURAL REVIEW **DESIGN GUIDELINES**

The following is an outline of some of the more frequent topics relating to design review. For the full text relating to the architectural change requests, refer to Article II-Architectural Control, of your Declaration of Restrictions.

All exterior changes or additions to your home or lot must be approved by the Architectural Review Committee.

General Criteria

The Board of Directors reviews all architectural change requests using the following general criteria:

- ◆ Compatibility with the overall design
- ◆ Colors and materials of construction for overall scheme and details
- ◆ Impact on landscaping and neighborhood (reasonable passage of light and air)
- ◆ Special considerations for town home units versus detached housing
- ◆ Maintaining a common scheme throughout the community

Requests for architectural changes should include specifications for any possible additions or modifications such as: awnings, paint color, decks (enlargement/addition to existing), doors (front/garage), driveway extensions, patios, retaining walls, sheds (storage), storm doors/windows, children's playhouses, mailbox replacement/mailbox posts, painting, re-grading/berms, roofing, shutters, swimming pools, exterior paint colors & lighting fixtures (other than those supplied by builder).

Removing Existing Structure: State the criteria for removal of any structure that may change the exterior appearance of the property; for example: major additions, walls and fences.

Listed below are a few of the specific architectural guidelines:

- **Basketball Hoops:** Detached dwellings only (single family homes) - not to be attached to dwelling; location - to the side of the driveway at least 10 feet back from street/sidewalk and properly maintained; not permitted at town homes.
- **Birdbath Feeders/house(s):** Not permitted to the front/side of the dwelling (considered as structure - in tree or on post).
- **Children's Playhouse:** Restrictions apply to permanent type only. Playhouses and/or structures which are pre-cut specifically for children's use as play equipment are permitted - all other designs are to be submitted to ARC for consideration; color must be compatible with color of house or of natural wood; location not to extend beyond side of home.
- **Clothesline:** Not permitted if visible from street - only portable permitted (types: umbrella, retractable/pole) to be visible during daylight hours only.
- **Flagpoles:** Attached to dwelling/ no free standing/ pole must not exceed 6 feet.
- **Lawn Ornaments:** Prohibited per deed restrictions.
- **Mailboxes:** Same size and shape of original mailbox (black)-exterior design to complement exterior of home; no signs attached to mail post (i.e., security signs).
- **Mailpost:** 4" x 4" unpainted wood post of original design, clear protective sealant.
- **Storage Shed:** Maximum size 8' x 10" x 8'h (80 sq. ft.). - Location - within 6 feet of rear of dwelling and not extending beyond the side of home; angled attached to rear of home and not extending beyond side of home. Not permitted on town home lots.
- **Storm Doors:** Full-lite or 3/4 lite - all glass door colors to match front door or door trim (applies to front door only).
- **Satellite Dishes:** to be installed on the rear of the dwelling, or in the alternative, on the side of the dwelling at ground level with a landscape screen.

PLEASE NOTE:

Private Open Space: Common areas are the property of all and cannot be altered by any one owner either by architectural change or by placing personal property on common areas. This includes the planting or removal of trees, shrubs, or natural planting.

Architectural Change Request forms may be obtained from **Thomas Cahill, BC Communities Inc. at 234-7710 – (e-mail tcahill@bcconsulting.org),** from any member of the Architectural Review Committee, or from the LHMC Web site – www.limestonehills.com.

Maintain your approved Architectural Change Form with your home documents so that they may be passed on to the future owners.

THE USUAL REMINDERS

- **Changes to the exterior of your home**

The Architectural Review Committee must approve all exterior additions and/or changes to your home.

Please contact Tom Cahill at BC Communities – 234-7710 or visit our Web site www.limestonehills.com before you make any exterior paint changes, especially on the trim of your home, your deck, and garage doors. A form must be filled out and approved by the committee.

Also needing approval are the following: exterior lighting, mailboxes/posts, satellite dishes, fences, roofs, and style and color of garage doors.

- **Signs**

Signs permitted in Limestone Hills are those announcing community events and placed there by the Limestone Hills Maintenance Corporation.

Realtors: Directional signs and balloons are not permitted anywhere in Limestone Hills.

- **Yard Waste**

A yard waste drop-off site is located on Polly Drummond Hill Road in the Pike Creek area - a place for citizens to drop off their lawn clippings, collected leaves, shrubbery, and small tree limbs, which will be recycled into mulch. It is located one-half mile north of Kirkwood Highway on Polly Drummond Hill Road

It is open daily from 8:30 a.m. until 4:30 p.m. and is for use of New Castle County residents only.

- **Court Surfaces** In order to prevent damage to the court surfaces, skateboards, bikes, and roller blades are not permitted on the tennis and basketball courts.

- **Street Lights out or damaged?** Please call Delmarva at 1-800-375-7117. Street light pole down or exposed wires? Please call Delmarva immediately at 1-800-898-8042.

- **Tennis Court Use**

If you are a resident of Limestone Hills and wish access to the tennis courts in North Pointe, you will need an entry access code, which is issued to owners only. Please contact BC Communities, Inc. at 234-7710 to receive this code. The code is private and we trust that it will not be shared.

- **New Resident of Limestone Hills?**

If you are a new resident of Limestone Hills and you did not receive a welcome letter from the Limestone Hills Maintenance Corporation, please contact Roberta Gallion at 234-3340. Enclosed with the welcome letter, you will find a contact page and a map of Limestone Hills.
