To my constituents in Limestone Hills West :

I hope this letter finds you well! Please keep me posted with any questions or concerns I can help you address.

DeIDOT released its 2021/2022 Pilot Paving Program List this week, and I am pleased to let you know we were able to get Middleton Drive, from Steeplechase Road to Tern Court; New Granville Road, from Attic Court to Sloan Court; and Braken Avenue, from Gregg Drive to Ochletree Lane included on it. DeIDOT will continue to monitor the remainder of the roads in the development as they age. The work is scheduled to begin during the FY 22 construction season, weather permitting, between April and November.

I am happy to work together to assist in this effort and appreciate the opportunity to serve as your State Representative. Don't hesitate to contact me if I can be of further service to you. Please stay safe and be well! Enjoy the rest of your summer!

Sincerely,

Michael F. Smith
